

thank YOU!

Dear Amanda:

What began about a year ago as an outright injustice to me and all of the CPAN unit owners here at 950 W. Monroe, has finally ended in a resounding victory for us.

I am so appreciative for the extensive work that you and your "DLA Piper team" accomplished in order to restore the justice that our condo association had taken from us. Moreover, this feat would've been

extremely difficult were it not for your generosity and kindness in doing it all pro-bono. You can be assured that you and your firm have my deepest respect and gratitude. Please extend my thanks to each attorney who contributed toward this successful outcome. You did a remarkable job. Best wishes with your continued success at DLA Piper.

Sincerely,
Daniel Miller (SCE)
