

TECHLAW 2013 – SINGAPORE

We are pleased to invite you to our **TechLaw 2013 Event** which will be taking place at **2pm on Monday 25 November** in Singapore. Please join us for a discussion session on current opportunities, challenges and risks for the regional technology sector.

Hear from our experienced lawyers and industry panels and have your chance to ask questions and share experiences with others in the sector.

WHAT IS TECHLAW?

Our TechLaw Event will provide an update on legal and commercial issues impacting the regional technology industry via short presentations and interactive panel forums. The event will be followed by an opportunity to network with all attendees over drinks and canapés.

WHAT TOPICS WILL BE COVERED?

TechLaw will be an interactive forum led by leading industry experts and DLA Piper technology partners, topics will include:

Outsourcing and The ‘Cloud’: the legal and commercial challenges and the opportunities present in Asia.

A Shifting Regulatory Landscape: how tech companies are adapting to regulatory challenges in Asia.

Corporate Activity: how India’s large IT service providers are looking towards Asia for growth opportunities and the impact on customers.

Tech Sector Disputes: how Asia’s largest companies are dealing with technology related disputes.

How will the law deal with new technologies? a look at how laws and regulations might deal with the rapid development of new technology products and services

WHO WILL BENEFIT FROM TECHLAW?

TechLaw 2013 will be of interest to managers and legal counsel working in the technology sector or involved with the procurement and management of technology products and services.
