Global merger control handbook – update

APRIL 2020

Merger control legislation updates since 1 July 2018

There have been no merger control legislation updates since 1 July 2018. However, a new proposal for a revision of Swiss merger control legislation is currently being prepared which primarily aims to introduce the SIEC test as a standard in the substantive assessment of a merger. The timing of the revision is currently not known.

Landmark merger control cases since 1 July 2018

No landmark merger control cases rendered since 1 July 2018.
