

## Shipping, Ports and Terminals

If your ship runs into unexpected troubled waters anywhere in the world, our dedicated shipping and maritime team in our global network can help you with our crisis management assistance tool. With our combination of an experienced legal team and policy advisors in our 90+ offices in 40+ locations around the world, we are well placed to support you effectively at a difficult moment in time.

If you want to know more, call or mail one of our team. As the sun never sets over our office network, one of us will be there to pick up the phone.
