

Real Estate

AN OVERVIEW OF OUR TEAM

Your Key Issues

Our Real Estate team in France can assist you throughout the entire life cycle of your investment, regardless of the nature of your business or the type of asset involved. We can assist you at every stage, from financing, development, construction, structuring and management through to disposal of real estate assets or holding structures.

The market is particularly structured and complex, consisting of multiple players and constant legislative and regulatory changes. A deep understanding and a long-term view of each project is required in order to achieve specific objectives with respect to land use, urban planning and construction-related litigation, and financing as well as tax issues.
