# What we bring

Geographical expertise – we are truly global with experience that facilitates a one-stop shop for real transaction efficiencies

Cross-border Chapter 11 capability and multi-jurisdictional insolvency expertise

Integrated Finance, Corporate, Capital Markets and Restructuring team

Dedicated Special Situations focus and coverage

Private Credit and Private Equity expertise, including deployment for rescue capital situations and accelerated and stressed M&A

Dedicated distressed Real Estate team with strong sponsor connectivity

Global sector coverage across 10 sectors with integrated teams consisting of deal team/sector specialists

Solution oriented – thought leaders contributing to changes in law and regulation, and ways to expand the “toolkit” to provide effective pathways to deal execution

# Why DLA Piper

**Client focused. Our approach is simple.** We are always available and pride ourselves on our quality, accessibility, and quick turnaround. Our culture is built upon client focus and collaboration – we know when to lead and when to listen. We build strong relationships with our clients, to understand their business, goals, strategy and aspirations – to not just meet expectations, but to exceed them wherever possible.

*“We require a legal team that can understand our requirements and run as fast or even faster than us. On deals, we almost overcompensate by having them on our side because of the additional tools they pack in their toolkit”*

— Chambers & Partners

*“The team at DLA Piper have proven to be an outstanding partner in the transactional work we have undertaken for our mutual clients. The team have shown exceptional levels of commercialism, pragmatism and good old fashion sleeves rolled up hard work....”*
